

Johnson County Farmers' Market, Incorporated Grower's Agreement 2005

The Market sells on property of Johnson County Extension Office, and is therefore subject to these regulations and any others which the Extension Office may institute for purposes of fairness to all growers and consumers.

1. Sales may not begin before 4:00 pm. Sellers may begin bagging orders for customers but money cannot be exchanged before 4:00 pm.
2. All growers shall remove any and all trash or waste from their selling area when the market closes each day.
3. All growers shall meet prior to the opening of sales periodically and determine prices for produce offered at the market.
4. Growers may sell above the agreed-upon price if they so desire, but they may never sell below it, except in the case of clearly inferior produce.
5. All produce sold shall be clean and free of dirt.
6. All growers must bring their own scales for weighing produce.
7. Any grower not abiding by these rules shall be notified and must come into compliance before resuming sales. Anyone failing to return to compliance is subject to dismissal from the market.

The undersigned hereby agree(s) to abide by these regulations of the Johnson County Farmer's Market, Incorporated.
